Heaven is for Real and I Know It - Check back often as Hope, Aimee, and their Spirits are now releasing a new book every couple of months!

What is Heaven is the first book released by Amazon Best Selling Author Hope Reynolds. Also see What is Heaven II, Heaven: There's Light at the End of the Tunnel, and Hope's newest releases Earth Angel: Back from Heaven and Heaven is Real for All of Us. Hope also released Real Heaven and in January 2015 Heaven: Through Pearly Gates.

What is heaven? Where is heaven? Want to know why we're here? Do you want to know about the afterlife? Would you like information about heaven, angels, and passed loved ones? Where do we go when we die? Do you feel as if you need proof of heaven? Want to learn ways to keep your home safe and attract prosperity into your life? One mom relays information about all of these areas from her incredibly gifted psychic daughter and the spirits from beyond. This book (just over 7,000 words) includes astounding real life accounts of interaction with both spirits and angels. God does exist, and he is involved in our lives. We do have a purpose for being here, and how we treat one another is absolutely crucial. We do have somewhere to go when we leave here - our true home. Heaven is for real - and proof of heaven is not beyond our grasp.

Hope's daughter, Aimee was born in the Year 2000. When she began telling vivid stories of heaven and speaking with angels, her mother was surprised. One day, Aimee pointed at a large round clock up on the wall about thirty feet away. The hands on the clock immediately began spinning forward. With a flick of her wrist, the hands on the clock changed direction and started whirling backwards. Aimee looked at her mother and asked, "Do you believe me now, Mommy?"

This is not a long book as we are relaying information from and about the spirit world (about the afterlife), and not writing *Gone with the Wind*. This book has been recently expanded, and I have also written *What is Heaven II*, *Heaven: There's Light at the End of the Tunnel*, *Earth Angel*, *Heaven is Real for All of Us*, and

Real Heaven if you would like additional information about our lives. Please feel free to click on the book in order to preview it - I think you will find it well-written and insightful. Also, this is not a strictly Christian perspective - I'm sharing how the spirit world actually works, and it will most likely vary from anything you've heard before. We use a portion of all of the Hope Reynolds' books' proceeds to purchase flocks of chickens and geese through Heifer International for families around the world living in poverty.

A Best Seller in the Angels category since Publication - Recently Expanded!

Check out the sequels to this book: What is Heaven II, Heaven: There's Light at the End of the Tunnel, Earth Angel, Heaven is Real for All of Us, Real Heaven, and Heaven: Through Pearly Gates.
