Wicked and Weird: The Amazing Tales of Buck 65 Rich Terfry

Star radio-host Rich Terfry presents the amazing tales of his alter ego, musician Buck 65, in this rollicking account of growing up poor, talented, baseball-obsessed, music-mad and girl-smitten.

With wit, style and a born writer's knack for telling detail, Rich Terfry gives us the wildly entertaining story of his unusual life through the eyes of his shy but brilliant and preternaturally observant alter-ego, Buck. Born in a small town in Nova Scotia to a mother who begins yelling at him the moment he is born and a father who keeps his own counsel, Buck imbibes fear and insecurity like other kids guzzle milk. Hobbled by his fears and demons, Buck almost disappears into the “evil in the woods” that lurks just beyond the town's border . . . until he is saved by three gifts: baseball, romantic love and music. His epic journey—full of diversions, coincidences, and larger-than-life characters—out of the darkness of his suicide-plagued childhood and into the bright wide world begins with a killer pitching arm (Buck almost makes it to the pros) and continues with his transformation into hip hop artist Buck 65. Along the way, Buck develops into a hopeless romantic and an obsessively creative, shape-shifting man who both fears life and dives into it with abandon. *Wicked and Weird* is a lively, sometimes shocking portrait of a life lived on the edge, by turns funny and heartbreaking.
