At eighteen, Lorelei Pratchett couldn't wait to get out of her hometown. Twelve years later, her Hollywood dreams have fizzled and she's back—temporarily, she thinks. Though she throws herself into saving the old theater and starting a baking business, small towns have long memories, and Lorelei's wild past still haunts her. It doesn't help that her ex-boyfriend, Spencer Boyd, is even hotter, smarter, and more distracting than before.

The fiery Lorelei that Spencer knew years ago may have become closed off and cautious, but their chemistry hasn't faded one bit. Losing her a second time is unthinkable to him, yet Lorelei is convinced she doesn't belong in Ardent Springs. Somehow, Spencer needs to show her that everything she needs is right here: family, friendship, new beginnings...and a man who's never stopped loving her.

Warm, sexy, and laugh-out-loud funny, *His First and Last* is an irresistible story of first love and second chances.
