Learn The Truth About Hand Reading: Believe It or Not? Cecilia Landry

Hand Reading, is there really any truth to it? Is it simply an illusion fostered up to encourage people to maximize their destiny? Are you among the millions of people that tamper their thoughts around myth & controversy?

Learn now! The truth about hand reading and finally decide for yourself to either believe it or not!

In this newly released book, you will discover a brief, but solid history on the foundation hand reading was built on. For example, you will learn:

- How the Greeks practice this art, which is how they refer to it
- How cave paintings depict the art of hand reading
- How it dates back as far as 497 B.C.
- How hand reading eventually spread and developed in Europe
- Fun fact: How to know if a guy is attractive or not...wow!

What about finding out what really motivate people to seek a palmist in the first place or why myths and controversies are so abundant across the spectrum.

For example, some of the areas to be exposed are:

- How predictions of the future are really made
- Find out what the bible has to say about palmistry
- Judging spirituality...this is huge
- Is there a lack of scientific evidence...

Get the entire “SCOOP” right here in this book! No stone has been left unturned.

Think about it? How to read palms has been a subject of interest for millions of people across the globe, despite the many controversies surrounding it.

Now you have an opportunity to explore the most details accounts of hand reading and as you read it goes deeper into the expectations of hand reading.

Another great example of what you will discover is a real reading explored. You will be given examples of the characteristics of the hand, the meanings of lines on the hand...specifically, the heart line, head line and life line.

I'm telling you, there is no other complete palm reading guide or eBook on the market with the type of in depth information that you will receive from this purchase.

So, I'm asking you to forget about any and everything you think you know about hand reading and open your mind to receiving what is presented in this book.

Oh yeah...It gets even deeper!

There is an entire chapter dedicated to palmistry & astrology and how they may or may not relate. I won't give it away, so you can just find out for yourself. This is a part of the book you really don't want to miss out on. It even breaks down the comparisons by exploring the actual planets.

For example:

- Jupiter
- Saturn
- The sun...and more

You are probably thinking to yourself, "this writer & researcher is nuts." Why so much value added information? Well, it's okay, just call me crazy because I added two more ****BONUS**** chapters in the book that will take you by the hands and explain the "the mounts and their meanings"...

Things like, mount of the moon, mount of Venus and the mount of Pluto! This is going to be a very interesting experience for you. I guarantee it!

Oh yeah, in the extra ****BONUS**** section on hand reading specifics, I have also included a detail explanation of the "elements" and how they relate to palmistry & astrology, along with sample depictions in image form.

All you will ever need to know about hand reading is right here in this book:

"The Truth About Hand Reading: Believe It Or Not?"

Go now and get your copy and don't forget to leave me your awesome review. Your feedback is necessary for helping me to give you exactly what you are looking for.

Enjoy!
