Moreno's Dictionary of Spanish-Named California Cities and Towns: Containing: The Definition and Correct Pronunciation of Every Spanish-Named City, ... Unknown Origin of the Name of California H. M. Moreno

Excerpt from Moreno's Dictionary of Spanish-Named California Cities and Towns: Containing: The Definition and Correct Pronunciation of Every Spanish-Named City, Town, Village and Hamlet in California; The Heretofore Practically Unknown Origin of the Name of California and the Much-Less Known Derivation and Definition of the Name Of

At no time in the history of California has the need for a Dictionary of this nature been so imperative. Never before, since the admission of California into the Sisterhood of States, has there been so much genuine historic interest manifested in the quaint names, their significance and derivation, and which, up to this time, have long been the subject of much discussion and conjecture.

In twenty years of experience as a newspaperman in various lands and in different climes, the author has been beset by thousands of inquiries from home and from a distance, as to the proper pronunciation, definition and derivation of California Spanish names. So numerous have been the inquiries, and so great the renewed interest manifested, more especially among visitors, that the time and labor expended in this compilation would seem justifiable.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
