Emily Dickinson

Poems by Emily Dickinson, Three Series, Complete Emily Dickinson

Like many writers of her day, Emily Dickinson was a virtual unknown during her lifetime. After her death, however, when people discovered the incredible amount of poetry that she had written, Dickinson became celebrated as one of America's greatest poets.

Dickinson was notoriously introverted and mostly lived as a recluse, carrying out her friendships almost entirely by written letters. Her work was just as unique; her poetry is written with short lines, occasionally lacked titles, and often used slant rhyme and unconventional capitalization and punctuation. **Only a few of her poems were published in her lifetime, but American schoolchildren across the country read her work today.**
