This is my personal Scrap Book that I have put together that shares some of the "Hows & Whys" this SY-1 Intake Manifold came about. I've collected pages of Installation & Tuning Tips, Photos and articles with enough information to get the serious Smokey SY-1 fan going. This Scrapbook is 8-1/2" x 11 with colored pages! Save yourself hours & hours of research and spent money...it's all here! If you own or plan to own a Smokey SY-1 Intake, this Scrap Book is a must! I too have been an owner of this SY-1 Ram and have actually ran it on my car. I wish I had this information 25 years ago!
