When Sparks Fly Lynnette Kent

Someone's deliberately setting fires in Durham County

And firefighter Ray Minnetti has no choice but to team up with the newest member of the squad, T.J.—*Tess*—O'Connor. Not that he has anything against women. On the contrary, he appreciates women, *especially* women who look like Tess O'Connor. He just doesn't want one on his squad.

But, as the arsonist gets more daring and the fires more dangerous, Ray has to admit that Tess is exactly what her résumé said she was—an outstanding firefighter. Now he's beginning to question the wisdom of having her as a partner for a very *different* reason.

There are so many sparks flying between them, they're in real danger of starting a fire of their own.
